Oui: The Paranoid-Critical Revolution: Writings 1927-1933

Synopsis

Salvador Dalí's writings from the period in which he was most closely allied with the Surrealists have never before been translated into English. These short fictions, essays and poems contain all the egotistic brio one might expect from Dalí, but they also reveal an earnest and even sentimental artist. They document Dalí's friendships with fellow Spaniards Luis Buñuel and Federico García Lorca, his entry into the world of the Parisian Surrealists, his passion for the emerging arts of photography and cinema, and the development of his "Paranoid-Critical Method," the theoretical basis for Dalí's work throughout his life. In 1934, Dalí and André Breton would break forever--"The only difference between me and a Surrealist is that I am a Surrealist," he later said--but in the period 1927-1933, such distinctions were unnecessary.

Book Information

Paperback: 192 pages

Publisher: Exact Change; Trade edition (October 2, 2004)

Language: English

ISBN-10: 1878972227

ISBN-13: 978-1878972224

Product Dimensions: 6 x 0.6 x 8 inches

Shipping Weight: 9.6 ounces (View shipping rates and policies)

Customer Reviews

Dali's writings are as vivid, confusing, and scatological as his paintings. Everything I've picked up by Exact Change (the publisher of this work) is fantastic.
