Look Back Harder: Critical Writings, 1935-84

Synopsis

The collected critical writings of one of New Zealandâ™s major poets and critics, covering half a century of his work. Of the thirty-eight items (reviews, essays, lectures, interviews, and letters) included, his controversial introductions to his anthologies of New Zealand verse are the best known. There are also incisive essays on Curnowâ™s New Zealand contemporaries, and on writers from further afield, such as Olson and Thomas. For students of English literature, particularly of New Zealand.
