Recomiendo este libro a aquellas personas Que no tienen quien los enseñe a defenderse, ya Que todos los ingredientes son faciles de conseguir y tiene una lista de ingredientes Que pueden sustituir los que son dificiles de encontrar, muy buen libro!

This is a great book if you want to dabble on herb, oil and infusions. It covers alot of info and gives you pointers on where to find your ingredients. The book has a lot of juicy tidbits on how to substitute herbs and oil in his recipees, without harming the effectiveness of it. Also a cool Soap section! I cannot wait to start making his soaps. I recommended it higly is informative and its cheap. Check out a couple of his other books. Wicca: a guide for the solitary practitioner and The Magical Household. These books are also full of information and easy to read.
