Why Can't We Get Along?: Healing Adult Sibling Relationships

Synopsis

Praise for Peter Goldenthal's previous books: "[Dr. Goldenthal's] techniques...are presented with insight and clarity. This is a unique and valuable book." --William B. Carey, M.D., Clinical Professor of Pediatrics, University of Pennsylvania School of Medicine "Peter Goldenthal gives us new insights.... This is a must-read book." --Myrna Shure, Ph.D., author of *Raising a Thinking Child*

Hasn't it gone on long enough the rivalry, the jealousy, the pent-up anger, and the grudges rooted in the past? In this book, renowned author and family psychologist Peter Goldenthal offers proven prescriptions for brothers and sisters who want to break through old, destructive patterns and create a richer, more loving, and more rewarding relationship with their adult siblings. Using dramatic case histories drawn from his own clinical practice, Dr. Goldenthal helps you understand why adult siblings fight. Warmly and insightfully, he presents practical techniques to:

- * Communicate with and listen to your sibling
- * Free yourself from past resentments
- * Cope with your sibling's selfish or inconsiderate behavior
- * Support and comfort a sibling who suffers from mood problems
- * Manage a sibling's difficult personality
- * Help your children avoid sibling problems

Don't let old hurts and destructive behavior patterns overshadow the love you feel for your sibling. Read *Why Can't We Get Along?* and find the key to establishing warm and loving sibling relationships that will last a lifetime.

Book Information

Paperback: 237 pages

Customer Reviews

In *Beyond Sibling Rivalry*, family psychologist Goldenthal showed parents how to deal with feuding

children. Here, he directs his well-founded advice at adult siblings, but he lacks focus. While he does address some sibling-specific issues in core chapters (e.g., arguing that one doesn't need to be nice to family members simply because one is "stuck" with them), most of the content is applicable to all relationships. For example, Goldenthal talks about the importance of watching for nonverbal cues and wisely choosing one's battles. The most compelling part of the book is an appendix-like chapter that lists ways for parents to reduce sibling conflict. Overall, most of what Goldenthal covers can be found in other books on relationships. An optional purchase for public libraries. Copyright 2002 Cahners Business Information, Inc.
