Vega Brothers: Alexander: BBW Paranormal Romance Reluctant Bride (The Bear Shifters Of Vega Ranch Book 3)

Synopsis

Polar bear shifter, Alexander Vega, is the last Vega brother who anyone thought would take on a mate. He's surly, gruff, grumpy and just plain rude. And that's on a good day. He hates women and doesn't want them anywhere near the Vega Ranch. But his bear has other plans...BBW news reporter, Elena King, has come to the Vega Ranch to visit her sister Ava. What starts off as a nice visit quickly goes down hill when a hot, muscular naked man comes running out of the forest, throws her over his shoulder and takes her to an abandoned cabin in the woods. Her anger turns to fascination to something more when she realizes the true nature of the man living with the wild beast inside him. Alexander will do whatever it takes to claim Elena as his mate but it may not matter either way. General Samson is returning in a few days to bring the polar bear shifter off to war and he'll be parted from Elena forever. Or will he? This is the third book of four in the paranormal bear shifter romance series: The Bear Shifters of Vega Ranch. No Cliffhangers. HEA. 18+

I'm such a romantic and this storyline brings it out of me. WOW I Really Enjoyed Reading Vega Brothers series. I adore and love reading Kim Fox books, so for this reason I couldn't wait to read Alexander and of course not only wasn't I disappointed but I absolutely love it! I have read books 1 & 2 they are fantastic so I was excited when I got to read the Vega Brothers: Alexander BBW Paranormal Romance Reluctant Bride The Bear Shifters of Vega Ranch Book 3, I couldn't wait to read it, with the way Kim Fox builds worlds, character development and the dialogue, it makes the storyline have great depth to it. I just loved these brothers who are Bear Shifters! My favorite quality or trait that I love to read about shifters is their ability to converse with their animal sides and how they interact, their different personalities and how they co-exist together! I am so enthralled with it all! The love that flows between the characters is very tender, beautiful and sweet and not too 'over-the-top' for me. I am very impressed with the way Kim Fox writes a story. The content is captivating and fantastic. I'm always excited and anxious to read more books written by Kim! It's obvious to me that she is a truly fantastic, talented and when you read this story, I think you will agree! I like you to read a little teaser.
