# Ophthalmic Medical Assisting: An Independent Study Course, 5th Ed. (Textbook & Exam)

## Synopsis

Successful completion of this course serves as a prerequisite for the Certified Ophthalmic Assistant (COA) examination administered by the Joint Commission on Allied Health Personnel in Ophthalmology (JCAHPO). **TEXTBOOK:** The fully illustrated core textbook describes 44 procedures step by step and covers all topics in both the U.S. and international curricula. It includes new chapters on ocular motility; low vision; ethics, legal and regulatory issues; and community health eye care. Each chapter includes self-assessment questions and suggested activities and resources. **ONLINE EXAM:** The exam consists of 228 multiple-choice questions that are aligned with the content of the textbook. The new online format provides immediate feedback on the test taker's performance. Those who pass the exam with a score of 80 percent or higher instantly receive a letter confirming successful completion. Those who do not pass are given a second exam attempt for free. \*\*This product consists of both the textbook and the online exam. You will receive a card with a license key and instructions on how to access the exam online.

## Customer Reviews

I am really impressed with how well this book is laid out. It is a great teaching tool and I would encourage all who want to learn in the field of ophthalmology to purchase this book. Even if you have been in the field a while, it is a nice refresher book.

This book help me get my COA!

Exactly the same book you need for your COA home study course!
